

CAMBRIDGE

INTERNATIONAL COLLEGE

ADELAIDE, AUSTRALIA

ACCOMMODATION & AIRPORT MEETING ARRANGEMENTS

Airport Meeting

Upon request, new students are picked up from the International Terminal by the Welcome Officer who will greet you and take you to your accommodation. You will be given a "Welcome Pack" consisting of a map, \$10 phone card and information on the transport systems in Adelaide.

Accommodation

The College can arrange your accommodation in a student hostel. Currently, the hostels being used are Unitrans, Highgate Lodge and Bradford Lodge. Additionally, the Torrens Valley International Village has been inspected and found to be of a quality high enough for the College to place students there.

The hostels have undergone an inspection by the Campus Manager and a relationship between the hostels and the College has now been established. Further inspections will be conducted on an annual basis unless an adverse comment is received from a student. If a student makes a complaint, then the Campus Manager will make initial enquiries into the situation and may send the College's Student Counsellor to make an onsite investigation of the complaint.

Accommodation assistance after arrival

Once you are in Adelaide we can help you find further accommodation, and you should go to the Student Support Officer if you need help.
