

Employment service

CIC - Melbourne campuses offers employment assistance to students wanting to work. There is no fee for this service. The College has a Job club and a Culture club which will help you to write a CV, locate jobs and give you a better understanding of Australian way of life.

Upon arrival please follow these 4 easy steps:

- 1) Attend Job club sessions; sessions are held several times a week – ask at reception
- 2) Email your CV to Karen & Stephanie
- 3) Make an individual appointment with Karen or Stephanie to check your CV
- 4) Start applying for jobs (and that is hard work)

* Student services staff can also give some assistance to students studying at the Adelaide campuses. Please go to Reception.
