

Dear Student

**Re: Course commencement including orientation – Automotive course commencing Tuesday the 8th of July, 2008 at 9.30am**

Thank you for choosing to study at Cambridge International College (CIC) in our Automotive course. We wish you good luck with your studies and hope your time with us is both rewarding and enjoyable.

- **All students enrolled to study in the Automotive course starting on Tuesday the 8th of July MUST arrive to start their course on Tuesday the 8th of July at 9.30am.**

**When?**

**Tuesday the 8th of July at 9.30am**

**Note that it is important that you arrive on time for orientation**

**Where?**

**459 Little Collins street campus - Level 15**

**What do I bring with me?**

- 1. Copy of your passport and student visa**
- 2. Melbourne contact details – your address, phone number, mobile phone number and email address**

- **It is important that all students arrive to start their course including attendance at orientation**

Students will receive essential course and overseas student information at the start of their course and during orientation, the following is included -

- Advice on how to make the most of your studies to assist you to successfully complete your studies
- Information on assessment tasks, e.g. tests, essays, practical assessment tasks
- Study skills
- What is expected of you from your teachers and other staff
- Class timetables
- Essential student visa requirements including attendance and course progress
- Overseas Student Health Cover information
- Permission to work information
- Information about bank accounts in Australia
- Information about the College's employment service
- Information about course fees, including fees due date and how to pay
- Accommodation information
- Student services information
- Issuing of student cards
- Opportunity to ask questions
